The Greek Food Festival provides all food and beverage items for onsite consumption, with very limited exceptions. We do not accept applications from vendors offering food trucks, prepared hot or cold foods, or canned, bottled, or draft beverages. If that's your specialty, we sincerely appreciate your interest — but please be aware that your application will not be considered.

Please indicate the products you will offer for sale in your booth space. If you are a returning vendor, make note of this and indicate what, if any, new products that have not previously been approved that you would like to sell in 2026.

Be specific, as you will only be allowed to sell the items you list! Attach a separate sheet, if necessary:

Describe what is unique about your products (they are handmade by your company, for example) and if they have a Greek or Mediterranean theme:

Tell us where your products originate (US, Greece, China, etc.):
